

purity™ CAMELLIA OIL BLEND

HAIR & SCALP CARE

Major Functions

- Repairs hair damaged by exposure to chemicals used in perms and color treatments as well as prolonged exposure to sun.
- Softens brittle hair and reduces the appearance of split ends.
- Can naturally delay and in some cases reverse the graying of hair as well as revitalize hair growth.
- Moisturizes dry and flaky scalp.

Directions For Use

- To condition or treat hair, massage several drops of oil blend onto scalp and work through to ends of hair prior to washing, and/or mix a few drops of oil blend into daily conditioning routine.
- To help reverse graying of hair and to revitalize hair growth, apply several drops of oil blend onto each desired area of treatment on the scalp and allow oil to absorb to penetrate into hair roots. Ideally, allow for several hours before washing hair.

Use daily, morning and/or night, as desired
